### 4.2.1: Library is automated using Integrated Library Management System (ILMS):

We have introduced the NewGenLib software in the library for automated using integrated library management system (ILMS) and it suitably to meet the needs of the library in the academic year 2022-2023.

The nature of the automation in the library is full and the version of the software is 3.3 i.e. NewGen Lib v3.3 and also established a Digital Library with adequate Systems in a separate Hall to provide access to Internet E-Resources. We have extended the automated services to the users and also developed OPAC for the users.
