

KASIREDDY NARAYANREDDY COLLEGE OF ENGINEERING & RESEARCH.

(Approved by AICTE & Affiliated to JNTUH)

Abdullapur (V), Abdullapurmet (M), R.R Dist, 501505, Telangana, INDIA.

Email : principal@knrcer.ac.in ; website: www.knrcer.ac.in

Vision of the Institute:

To Produce Technically Competent Socially Committed Technocrats, Prosper captaincy and Bureaucrats through quality Academics and Research.

Mission of the Institute:

1. To create advanced facilities of teaching and practical training to the UG & PG Students.
2. To inculcate facilities in the arena of Research & Development.
3. To develop technical manpower through interactive communication, training, short-term courses, seminars, group discussions, mock-interviews, etc.
4. To initiate the collaborative real life industrial projects with nearby industries and academic institutions.

Quality Policy

Create & Future Engineers of Quality by Quality Education & Hands on Training to Serve & Solve Societal Problems

Department of Civil Engineering

Vision

The vision of the Department of Civil Engineering is to unique identity by the development of knowledge based resources and practice oriented to benefit the industry and society as a whole through stake holders.

Mission

- The mission the Department of Civil Engineering is to provide our graduates experienced in Engineering education that balances both theoretical and practical knowledge for design analysis and execution of projects.
- To train the students with the best teaching-learning process in transforming those into outstanding professionals with research aptitude and leadership skills which prepare the innovative minds of budding engineers to face the future challenges through continuous industry-institute interaction.
- To Produce Civil Engineers of high caliber, technical skills and ethical values to serve the society and nation.
- To make the department a centre of excellence in the field of Civil engineering and allied research.

KASIREDDY NARAYAN REDDY COLLEGE OF ENGINEERING & RESEARCH

Department Of Computer Science & Engineering

VISION:

To contribute to the society through **excellence** in scientific and knowledge-based education utilizing the potential of computer science and engineering with a deep passion for wisdom, culture and values.

MISSION:

- Provide quality undergraduate and graduate education in both the theoretical and applied foundations of computer science and train students to solve real-world problems.
- Conduct research to advance the state of the art in computer science and integrate research results and innovations into other scientific disciplines
- To provide quality education to meet the need of profession and society.
- Provide a learning ambience to enhance innovations, problem solving skills, leadership qualities, team-spirit and ethical responsibilities.
- Establish Industry Institute Interaction program to enhance the entrepreneurship skills
- Provide exposure of latest tools and technologies in the area of engineering and technology.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

DEPARTMENT VISION

To produce globally competitive engineering graduates through high quality education, to instill high standards of ethics and professionalism and to bring out quality research in the frontier areas of Electronics & Communication Engineering.

DEPARTMENT MISSION

- Ensuring effective teaching-learning process to provide an insight into the depth and breadth areas of Electronics & Communication Engineering.
- To offer a well-balance program of instruction, research & development, incubation & innovation through consultancy & sponsored research.
- Enhance overall personality development exercises, entrepreneur skills, communication skills and employability.
- Providing industry and department interactions through consultancy and sponsored research.

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

VISION:

To be recognized as a center of excellence to produce competent and ethical electrical engineers capable of finding solutions to problems related to society, environment and industry using trending and innovative technologies.

MISSION:

M1: To make the preferred destination for admissions, to become autonomous by imparting quality technical education using state of the art teaching learning practices with accordance to the curricula and syllabi to meet the industrial and societal needs.

M2: To promote excellence in teaching research incubation, consultancy activities and positive contribution for the upliftment of the society

M3: To enable students to develop skills to solve complex technological problems of current times and also provide a frame work for promoting collaborative and multi disciplinary activities.

M4: To nurture the faculty and expose them to world class infrastructure.

DEPARTMENT OF SCIENCES AND HUMANITIES (S&H)

ABOUT DEPARTMENT

The department of Sciences and Humanities (S&H) at KASIREDDY NARAYANREDDY COLLEGE OF ENGINEERING AND RESEARCH has been offering First year B.Tech. program since the KNRR recognition in 2008. The primary objective of the B. Tech. program is to inculcate basic knowledge in Mathematics, Physics, Chemistry, Environment Studies and English Language to build the foundation of engineering education for the students. For the effective conduction of the department, it is divided into 4 divisions (Division of Chemistry, Division of Physics, Division of Mathematics and Division of Humanities) based on the core disciplines.

DEPARTMENT VISION:

To achieve professional excellence combined with a scientific temperament to serve the needs of industry and society while upholding the values of an ideal life.

DEPARTMENT MISSION:

- ✓ Offering a comprehensive curriculum with an outcome based approach to effectively integrate sciences and technical courses.
- ✓ Providing ample laboratory facilities for integrated and experimental learning to realize the theoretical grasp of the concepts learned.
- ✓ To promote holistic development by imparting improved communication skills, ethical values and environmental consciousness.

DEPARTMENT OF MBA

DEPARTMENT VISION:

Our motto is to be a premier educational institution that produces the state of art world class skilled leaders to meet the competitive edge that matches the best international standards”

DEPARTMENT MISSION:

- To provide the best education service in the areas of engineering, management, pharmacy and other related areas – “ Learning By Doing”
- To provide the research and consultancy services to the user clientele e.g., organizations, government,
- To implement the relevant educational policies of statutory bodies to the optimum level.
- To focus on Research & Development continuously
- To manage the diversity effectively
- To empower the quality of human resources
- To undertake social responsibilities e.g., blood donation camps, disaster rescue operations
- To enforce strict discipline measures
- To provide the best practical orientation: Industry – Academic Interface:
- To nurture the faculty and students to undertake the innovation and creativity in their respective areas
- To motivate the faculty by providing the opportunities to attend the conferences, publications and to undertake the research project works

DEPARTMENT OF MECHANICAL ENGINEERING

Department vision:

To achieve excellence in education and research in the discipline of mechanical engineering with global out-reach and impact

Department Mission:

- M1: To impart quality education and develop competitive spirit with due consideration for ethical, ecological and economic issues.
- M2: To develop state-of-the-art research facilities for stakeholders to excel in globally competitive world.
- M3: To develop associations with R&D organizations, industries and educational institutes for eminence in research, consultancy and teaching.
- M4: To create knowledge and technologies through fundamental research and its applications in mechanical engineering, in order to serve the societal needs.

FUNCTIONS AND RESPONSIBILITIES

Governing body

Governance is the key activity that acts as a bridge between the management and stakeholders constitute the Governing Body. Kasireddy Narayan Reddy College of Engineering and Research has a strong governing members constitute, A group of intellectuals from industry, academia and different luminaries from various walks of life that devices all policies and decisions related to both academic and administration. To ensure the efficient and effectiveness of governing body, a number of academic and administrative bodies have been formed with duties and responsibilities. The governing body meeting shall meet twice in a year, to discuss various issues and aspects contributing to the development of the college. During the meeting the suggestions from planning and monitoring board are resolved. It chalks out a roadmap in order to achieve the goals of the institution.

Major Responsibilities of Governing body

1. Uphold the legal stature of the college in line with the policies of AICTE, UGC, State Government and affiliating university, i.e., JNTUH Hyderabad or any other agency.
2. Taking decisions regarding the intake and addition or discontinuing of any program and Guiding the Principal to take formal steps with the affiliating body to put this into action.
3. Fix the fee structure and any charges applicable in accordance with the recommendation of the affiliating university.
4. Approval of the budget for the respective financial year.

Email : principal@knrcer.ac.in ; website: www.knrcer.ac.in

Functions of Governing body

1. Amend and approve policies from time to time.
2. Approve the appointment of faculty members recommended by the selection committee of the institution in accordance with the norms prescribed by AICTE and JNTUH Hyderabad, University.
3. It administers the physical resources of the Institute, Construction and maintenance of infrastructure and amenities for the institution.
4. Review of academic performance of the institution and suggest remedial measures, if required.
5. Mobilizes funds and utilize the resources maximum, towards the development of the institution.
6. Introduction of new programs and/or increasing intake/closure of programs/reduction in intake.
7. Implement the recommendations of the planning and monitoring board.
8. Review of highlighted feedback summary of stakeholders and planning for corrective actions towards the satisfaction of stakeholders.
9. Reviews to apply Accreditations of different regulatory bodies (NBA, NAAC, UGC etc.)
10. Monitors on the effective functioning of different institute – level non statutory committees of the institute
11. Encourages and gives directions to apply for funds from different funding agencies

Date: 29.03.2023

CIRCULAR

All the members of governing body of the college are requested to attend the meeting of governing body on 01.04.2023 At 2 pm in committee hall to discuss the following matters.

1. To Discuss progress of last governing body meeting proposals.
2. To discuss about the NAA Submission.
3. To Discuss about basket ball & volley ball court.
4. To Discuss new lab requirement
5. Old lab up gradation
6. New faculty for required Branches
7. Annual day and technical fest Celebration
8. Training and placement for Academic Year 2022 – 2023
9. Placement for Academic year 2022 – 2023.

Copy to all Committee Members.

Governing Body Meeting

Date: 01.04.2023
Venu: Board Room

Academic Year: 2022-23
Time: 2:00 Pm

Agenda Points:

1. Introduction by Principal & Member – Secretary – GOB.
2. Welcome address by Chairperson.
3. Minutes of Meeting of Previous Meeting held on 02.11.2022 and discussed about the followup action taken for last meeting.
4. Any other suggestions from Governing Body Members are Welcome.

Minutes of the Meeting:

Meeting is held on: 01.04.2023 The Minutes of Governing Body meeting of this college is as follows:

1. Explained the progress report of NAAC / DVV Submission work to governing body member and taken suggestions from members.
2. Discussed and the respected approval for construction of Basket ball court is given.
3. Discussed and budget approval for New labs is approved.
4. Discussed and approval for old lab up gradation is approved.
5. Discussed and Appointment for new faculty requirements in departments is approved.
6. Discussed and budget approval for annual day & Technical fest is granted.
7. Discussed and new planning for training and placements for the year 2023-24 is approved
8. Discussed about placement for Academic year 2022-2023.
9. Discussed and Approved Admissions process for the year 2023-24.
