

A person is pointing at a wall of brain scan images. The images are arranged in a grid and are highlighted with red circles. The person is wearing a white lab coat and has a stethoscope around their neck. The background is a blue-tinted image of a person's face.

AI AND DEEP LEARNING

A hand is interacting with a futuristic digital interface. The interface features a large, glowing blue sphere with a grid of points and lines. The background is dark with various geometric shapes and lines. A small logo with the letters 'SI' is visible in the bottom right corner of the interface.

Dr.P. SATISH REDDY
Mr.G. VENKATESH
