3. Faculty Development Program on National Education Policy

Education is fundamental for achieving full human potential, developing and equitable and just society, and promoting national development. Providing Universal access to quality education is the key to India's continued ascent, and leadership on the global stage in terms of economic growth, social justice and equality, scientific advancements, national integration and culture press Nation. Universal high quality education is the best way forward for developing and maximizing our country's rich talents and resources for the good of individual, the society, the country and the world. India will have the highest population of young people in the world over the next decade, and our ability to provide high quality education opportunities to them will determine the future of our country.

9. MOU's with reputed Organizations and Industries

TASK (Telengana Academy for Skill and Knowledge):

Telengana Academy for Skill and Knowledge was established by the Government of Telengana for enhancing skilling energy among institutions of Government, Industry & Academia.

Value for Colleges:

- Partnership with Reputed Technology Organizations for skilling programs
- Subsidized rates for Technical Certifications
- Faculty Development Programs
- Hosting Skilling Initiatives on their campus

Value for Youth:

- Access to Industry relevant skilling modules on technology skills, personal skills and organization skills
- English Language Skilling
- Internship Opportunities
- Mentor Talks
- Entrepreneurship Development
- Access to Maker Space Labs
- Opportunity to participate in placement drives across organizations
- Online access to e-learning content
- Industry Projects/Visits
- Access to MOOCs
- Finishing School for Unemployed Youth
- Career Development Workshops
- Internship Opportunities
- Mentor Talks
- Entrepreneurship Development
- Access to Maker Space Labs

10.CLUBS

Motivation towards creating KNRR clubs

KNRR clubs are functioning on the campus to help students learn new skills and gain fresh experiences. Co-curricular and Extracurricular activities offer great developmental benefits to help students grow professionally. Joining a Campus club benefit you to gain knowledge, skills and experience in leadership, good communication skills, excellent problem-solving skills, group development and management, presentation and Public speaking. At the Campus, Students have the option to choose their passionate club and become members.

Math Club:

The prime motive of our Math Club is eliminating the fear of Mathematics and creating a passion towards the subject the club promises to cultivate various chances and a bright platform to exhibit their talent, skills and passion for Mathematics. First, it fosters a community of students around a common interest in Mathematics. Club members are elected and they are provided opportunities to apply and improve math skills by participating in math competitions and learning circles.

GOALS

- To identify the level of understanding in Mathematics.
- To help the students develop their critical thinking and Mathematical ability.
- To improve and bring out the hidden Mathematical talents of the students.
- To promote enthusiasm and interest in Mathematics among the students.
- To provide a platform for discussing new methods of learning and teaching Mathematics.

OBJECTIVES

- Helps in the proper utilization of leisure time.
- Includes the habit of self study and independent work among the students.
- Provides opportunities for students to translate the theory into practice and apply their learning in daily life situations.
- Makes Mathematics learning a pleasant, creative and challenging experience for the students.
- Develops critical thinking skills of students through problem solving.
