KNRR provide yoga and meditation program for the students to become a professional student

Topics Covered

- Yoga and meditation
- Health tips awareness on nutrition food
- Physical fitness
- Hygiene

Yoga brings together physical and mental disciplines to achieve a peaceful body and mind it improves respiration, energy and vitality.

The true essence of yoga revolves around elevating the life force or kundalini at the base of the spine. It aims to achieve this three series of physical and mental exercises are the physical level. The methods can comprise various yoga postures are asanas that aim to keep the body healthy. The trainer explored the mental techniques like breathing exercise, Pranayama and meditation to discipline the mind

Students and faculty how demonstrated the asanas. The program was a motivation to make yoga as part of daily timetable for fitness sports hours, health and hygiene program by every year checkup for girls.
