Dear MD HIZBULLAH

Congratulations on your acceptance to Kennesaw State's Dual Enrollment Honors Program! We are delighted that you'll be joining the program in Fall 2019. Here is an idea of what to expect next, instructions for documents you'll need to complete and return to KSU, and some tips for students who are planning their high school schedules for Spring semester. **Please share this information with your parents.**

What to expect next

You will receive separately an official acceptance letter from the Admissions Office. Please make note of your KSU ID number at the top of your acceptance letter. This is how KSU will identify you in its computer system, and you will need your ID number for class registration and other purposes. The letter also notes that you should submit an immunization form to KSU. A copy of the immunization form is enclosed. Completion of this form may require a visit to your healthcare provider. Mail or fax the completed form directly to the Registrar's Office, as noted on the form, *not* to the DEHP office.

In March 2019, all dual enrollment students will be required to attend a group advising session at KSU to select their courses for Fall semester and receive instructions for Accel and Move on When Ready funding applications. In advance of these sessions, by early March, you will receive an advising mailing from the DEHP office with instructions for registering for a session and important information to review before your advising session. Please do not apply for funding until after you have attended an advising session. After the advising session, you will visit your high school counselor for approval of your proposed schedule and funding application. You will register for Fall classes in late March.

In between now and then, we would like to communicate with you and your parents via email to provide updates and reminders. We will communicate with students **only through their new KSU email accounts** (see instructions below) – *not* your personal email address that you may have provided on your admissions application. Please complete and return the enclosed Advising Information form to give us parent email addresses and other important information about you.

What to do next

1) Set up your KSU email account. In order to receive email updates from the DEHP program and register for classes, students must activate their KSU NetID and create a password. Go to the KSU homepage, www.kennesaw.edu, and under the Online Resources heading, click on the link for "KSU and NetID Lookup." You will be prompted to activate your NetID and create a password. Write down your password! Then, to access the campus e-mail log-in page, go to the KSU homepage, www.kennesaw.edu, and under Online Resources, select Student Email.

DEAR MULKALAPALLY MAHESH ,

Congratulations! The committee has reviewed your application and we are happy to offer you admission to the Class of 2009. Princeton received a record applicant pool of over 16,500 applications this year and your academic accomplishments, extra-curricular achievements and personal qualities stood out among this strong pool. The committee was impressed with all you have done. Thank you for applying. We are delighted to be accepting you.

If you applied for financial aid, a letter from the Financial Aid Office is enclosed with this mailing. If you have any questions, a member of the financial aid staff would be pleased to speak with you or your parents. We understand that paying for a college education is a significant commitment, and we would like to help you through the process. Princeton's policy of replacing the student loan with additional grant sets us apart from other schools and allows you to graduate without any expected debt.

You and your parents are invited to join us on April 19-21 for our April Hosting program to learn more about Princeton. An invitation is enclosed with this mailing. Our faculty members are interested in meeting you and we hope you can join us. Also included in this packet is the response card which you need to fill out and return to us with a May 1 postmark. Should you decide to attend Princeton, we will be sending you more materials later this spring with information about getting ready for your freshman year.

Once again, congratulations. We are thrilled to be sending you this splendid news. If you have any questions about the academic program, residential life, or a particular interest, please let us know and we will help you get the answers.

Organizing Chairman, GATE 2018
(on behalf of NCB - GATE, for MHRD)

The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.
