DEAR SADAGONDA SARITHA

On behalf of the entire University of Virginia community, we are excited to offer you admission to the class of 2025.

This year's Early Action application process was intensely competitive. But after learning more about you, what you've done, and what you care about, we believe UVA will be better with you here. We hope you feel the same way.

People are fond of saying that the University of Virginia is Mr. Jefferson's university. However, it will also be very much your university. UVA will open doors for you and change your life in ways you can barely imagine. If you decide to make us your university, we are confident you will look back on the next four years as some of the best and most important of your life.

By coming to UVA, you will be entering an incredibly close community, with faculty, staff, and fellow students who support you, both inside and outside the classroom. You will hear lectures that make you see the world differently and work with organizations striving to change it. You will help discover new knowledge, answer enduring questions, and meet people who challenge and inspire you all at once.

Please follow the online instructions in this offer packet to pay your non-refundable tuition deposit by May 1, 2021. Our offer of admission also depends on your ability to maintain the same high standards in both your academic and personal life that earned you this letter in the first place.

Congratulations again on getting this far. By choosing UVA, you will be embarking on a world-class education taught by some of the best professors in their fields. As well, you will explore opportunities you never have before, opportunities that are nothing short of life-changing. In return, all we ask is that you leave this place a little bit better than you find it.

We look forward to welcoming you to Charlottesville in the fall.

Sincerely,

Princeton received a record applicant pool of over 16,500 applications this year and your academic accomplishments, extra-curricular achievements and personal qualities stood out among this strong pool. The committee was impressed with all you have done. Thank you for applying. We are delighted to be accepting you.

We understand that paying for a college education is a significant commitment, and we would like to help you through the process. Princeton's policy of replacing the student loan with additional grant sets us apart from other schools and allows you to graduate without any expected debt.

You and your parents are invited to join us on ~~now~~ 2020-21 for our April Hosting program to learn more about Princeton. An invitation is enclosed with this mailing. Our faculty members are interested in meeting you and we hope you can join us. Also included in this packet is the response card which you need to fill out and return to us with a May 1 postmark. Should you decide to attend Princeton, we will be sending you more materials later this spring with information about getting ready for your freshman year.

Once again, congratulations. We are thrilled to be sending you this splendid news. If you have any questions about the academic program, residential life, or a particular interest, please let us know and we will help you get the answers.

Sincerely,

Janet Lavin Rapelye
