Diwali Celebrations:

KNRR has celebrated Diwali on 03/11/2021 at the college Premises. Diwali or Deepavali also known as the Festival of Lights, is a religious celebration in Indian religions. It is one of the most important festivals within Hinduism where it generally lasts five days (or six in some regions of India), and is celebrated during the Hindu lunisolar months of Ashvin (according to the amanta tradition) and Kartika (between mid-October and mid-November). It is a post-harvest festival celebrating the bounty following the arrival of the monsoon in the subcontinent. Diwali symbolizes the spiritual "victory of light over darkness, good over evil, and knowledge over ignorance". The festival is widely associated with Lakshmi, goddess of prosperity and Ganesha, god of wisdom and the remover of obstacles, with many other regional traditions connecting the holiday to Sita and Rama, Vishnu, Krishna, Durga, Shiva, Kali, Hanuman, Kubera, Yama, Yami, Dhanvantari, or Vishvakarman.

Ramazan Celebrations:

KNRR has celebrated Ramazan on 02/05/2022 at the seminar hall. Ramadan also spelled Ramazan, Ramzan, Ramadhan or Ramathan) is the ninth month of the Islamic calendar,[9] observed by Muslims worldwide as a month of fasting (sawm), prayer, reflection and community. A commemoration of Muhammad's first revelation, the annual observance of Ramadan is regarded as one of the Five Pillars of Islam and lasts twenty-nine to thirty days, from one sighting of the crescent moon to the next.

Fasting from dawn to sunset is fard (obligatory) for all adult Muslims who are not acutely or chronically ill, travelling, elderly, breastfeeding, diabetic, or menstruating. The predawn meal is referred to as suhur, and the nightly feast that breaks the fast is called iftar. Although fatwas have been issued declaring that Muslims who live in regions with a midnight sun or polar night should follow the timetable of Mecca,[18] it is common practice to follow the timetable of the closest country in which night can be distinguished from day.

At KNRR Ramazan is celebrated at the seminar hall, for this all are gathered at the seminar hall around 11.15AM. During this celebration Principal, HODs, Staff and some of the students from other religions are also spoken about the Ramadan Festival, how it is celebrated and why it is celebrated throughout the world. One of the faculty members has explained about the Mohammed, his birth place, his life and the revelations of him to the mankind. Also Tofas are distributed to Muslim Students and Faculty after the Celebration.

Christmas Celebrations:

KNRR has celebrated Christmas on 24/12/2021 at the seminar hall. Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. Christmas Day is a public holiday in many countries, is celebrated religiously by a majority of Christians, as well as culturally by many non-Christians, and forms an integral part of the holiday season organized around it. The traditional Christmas narrative recounted in the New Testament, known as the Nativity of Jesus, says that Jesus was born in Bethlehem, in accordance with messianic prophecies. When Joseph and Mary arrived in the city, the inn had no room and so they were offered a stable where the Christ Child was soon born, with angels proclaiming this news to shepherds who then spread the word.

At our campus, on 24/12/2021 all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Christmas and why it is celebrated throughout the world. One of the HODs are addressed about the Jesus birth life and his sacrifices to the mankind. After having the discussions Principal and HODs have cut the cake and distributed all the students.

Holi Celebrations :

KNRR has celebrated Holi on 17/03/2022 in the College Premises. Holi is an ancient Hindu tradition and also one of the most popular festivals in Hinduism. Christmas Celebrations :

KNRR has celebrated Christmas on 24/12/2019 at the seminar hall. Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. Christmas Day is a public holiday in many countries, is celebrated religiously by a majority of Christians, as well as culturally by many non-Christians, and forms an integral part of the holiday season organized around it. The traditional Christmas narrative recounted in the New Testament, known as the Nativity of Jesus, says that Jesus was born in Bethlehem, in accordance with messianic prophecies. When Joseph and Mary arrived in the city, the inn had no room and so they were offered a stable where the Christ Child was soon born, with angels proclaiming this news to shepherds who then spread the word.

At our campus, on 24/12/2019 all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Christmas and why it is celebrated throughout the world. One of the HODs are addressed about the Jesus birth life and his sacrifices to the mankind. After having the discussions Principal and HODs have cut the cake and distributed all the students.

The festival has traditionally been also observed by non-Hindus, such as by Jains. In Mughal India, Holi was celebrated with such exuberance that people of all castes could throw colour on the Emperor. According to one of the online scripts, "there are several paintings of Mughal emperors celebrating Holi. Grand celebrations of Holi were held at the Lal Qila, where the festival was also known as Eid-e-gulaabi or Aab-e-Pashi.

Vinayaka Chavithi Celebrations :

KNRR has celebrated Vinayaka Chavithi on 02/09/2019. Vinayak Chaturthi (Vināyaka Caturthī) is a Hindu festival commemorating the birth of the Hindu god Ganesha. The festival is marked with the installation of Ganesha's clay idols privately in homes and publicly on elaborate pandals (temporary stages). Observances include chanting of Vedic hymns and Hindu texts, such as prayers and vrata (fasting). Offerings and prasada from the daily prayers, that are distributed from the pandal to the community, include sweets such as modaka as it is believed to be a favourite of Ganesha. The festival ends on the tenth day after start, when the idol is carried in a public procession with music and group chanting, then immersed in a nearby body of water such as a river or sea, called visarjan on the day of Anant Chaturdashi. In Mumbai alone, around 150,000 statues are immersed annually. Thereafter the clay idol dissolves and Ganesha is believed to return to his celestial abode. The festival celebrates Ganesha as the God of New Beginnings and the Remover of Obstacles as well as the god of wisdom and intelligence and is observed throughout India.

Ramazan Celebrations:

KNRR has celebrated Ramazan on 03/06/2019 at the seminar hall. Ramadan also spelled Ramazan, Ramzan, Ramadhan or Ramathan) is the ninth month of the Islamic calendar, observed by Muslims worldwide as a month of fasting (sawm), prayer, reflection and community. A commemoration of Muhammad's first revelation, the annual observance of Ramadan is regarded as one of the Five Pillars of Islam and lasts twenty-nine to thirty days, from one sighting of the crescent moon to the next.

Fasting from dawn to sunset is fard (obligatory) for all adult Muslims who are not acutely or chronically ill, travelling, elderly, breastfeeding, diabetic, or menstruating. The predawn meal is referred to as suhur, and the nightly feast that breaks the fast is called iftar. Although fatwas have been issued declaring that Muslims who live in regions with a midnight sun or polar night should follow the timetable of Mecca,[18] it is common practice to follow the timetable of the closest country in which night can be distinguished from day.

At KNRR Ramazan is celebrated at the seminar hall, for this all are gathered at the seminar hall around 02.00 PM. During this celebration Principal, HODs, Staff and some of the students from other religions are also spoken about the Ramadan Festival, how it is celebrated and why it is celebrated throughout the world. Christmas Celebrations :

KNRR has celebrated Christmas on 24/12/2018 at the seminar hall. Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. Christmas Day is a public holiday in many countries, is celebrated religiously by a majority of Christians, as well as culturally by many non-Christians, and forms an integral part of the holiday season organized around it. The traditional Christmas narrative recounted in the New Testament, known as the Nativity of Jesus, says that Jesus was born in Bethlehem, in accordance with messianic prophecies. When Joseph and Mary arrived in the city, the inn had no room and so they were offered a stable where the Christ Child was soon born, with angels proclaiming this news to shepherds who then spread the word.

At our campus, on 24/12/2018 all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Christmas and why it is celebrated throughout the world. One of the HODs are addressed about the Jesus birth life and his sacrifices to the mankind. After having the discussions Principal and HODs have cut the cake and distributed all the students.

Ramazan Celebrations:

KNRR has celebrated Ramazan on 14/06/2018 at the seminar hall. Ramadan also spelled Ramazan, Ramzan, Ramadhan or Ramathan) is the ninth month of the Islamic calendar, observed by Muslims worldwide as a month of fasting (sawm), prayer, reflection and community. A commemoration of Muhammad's first revelation, the annual observance of Ramadan is regarded as one of the Five Pillars of Islam and lasts twenty-nine to thirty days, from one sighting of the crescent moon to the next.

Fasting from dawn to sunset is fard (obligatory) for all adult Muslims who are not acutely or chronically ill, travelling, elderly, breastfeeding, diabetic, or menstruating. The predawn meal is referred to as suhur, and the nightly feast that breaks the fast is called iftar. Although fatwas have been issued declaring that Muslims who live in regions with a midnight sun or polar night should follow the timetable of Mecca,[18] it is common practice to follow the timetable of the closest country in which night can be distinguished from day.

At KNRR Ramazan is celebrated at the seminar hall, for this all are gathered at the seminar hall around 02.00 PM. During this celebration Principal, HODs, Staff and some of the students from other religions are also spoken about the Ramadan Festival, how it is celebrated and why it is celebrated throughout the world. One of the faculty members has explained about the Mohammed, his birth place, his life and the revelations of him to the mankind. Also Tofas are distributed to Muslim Students and Faculty after the Celebration.

Christmas Celebrations :

KNRR has celebrated Christmas on 23/12/2017 at the seminar hall. Christmas is an annual festival commemorating the birth of Jesus Christ, observed primarily on December 25 as a religious and cultural celebration among billions of people around the world. Christmas Day is a public holiday in many countries, is celebrated religiously by a majority of Christians, as well as culturally by many non-Christians, and forms an integral part of the holiday season organized around it. The traditional Christmas narrative recounted in the New Testament, known as the Nativity of Jesus, says that Jesus was born in Bethlehem, in accordance with messianic prophecies. When Joseph and Mary arrived in the city, the inn had no room and so they were offered a stable where the Christ Child was soon born, with angels proclaiming this news to shepherds who then spread the word.

At our campus, on 23/12/2017 all the members are gathered at the seminar hall and Principal, HODs, some of the Senior Faculty Members and even some students are spoken about the Christmas and why it is celebrated throughout the world. One of the HODs are addressed about the Jesus birth life and his sacrifices to the mankind. After having the discussions Principal and HODs have cut the cake and distributed all the students.

Holi Celebrations :

KNRR has celebrated Holi on 01/03/2018 in the College Premises. Holi is an ancient Hindu tradition and also one of the most popular festivals in Hinduism. It originated and is predominantly celebrated in the Indian subcontinent but has also spread to other regions of Asia and parts of the Western world through the Indian diaspora. The festival has traditionally been also observed by non-Hindus, such as by Jains. In Mughal India, Holi was celebrated with such exuberance that people of all castes could throw colour on the Emperor. According to one of the online scripts, "there are several paintings of Mughal emperors celebrating Holi. Grand celebrations of Holi were held at the Lal Qila, where the festival was also known as Eid-e-gulaabi or Aab-e-Pashi.
