ABOUT COLLEGE:

KNRCER - Kasireddy Narayanreddy College of Engineering & Research is a highly reputed Institute, established in 2008 with EAMCET Counseling Code KNRR. Dr S.Amaresh Babu is the Principal at the helm of affairs of the college. He is an eminent academician and highly accomplished man with vast experience.

The Brilliant Group turned a golden leaf with the icon of technical education in Telangana who steered the Engineering education onto the echelons of national and international corridors, a versatile, sagacious genius Sri Kasireddy NarayanReddy, an eminent and dynamic educationalist of our state, taking reigns as the Chairman of all the colleges in Brilliant Group of Technical Institutions. He has been leading the Brilliant Grammar High Schools to be among the top-notch schools in our state since 1986. With the same motivation and dynamism, he established the Brilliant Group of Technical Institutions in 2008 and has been constantly upgrading them perpetually to promote a valued technical education in our state.

Our campus is a 70 acre stretch of land with hillocks on one side and plain area on the other three sides. The students are provided with plenty of opportunities to develop their individual talents and abilities and to aspire for excellence in academic and personality development. At KNRCER, we believe in engender and promulgate knowledge and talent in core and frontier disciplines through innovative education programs, research, industrial training and consultancy and developing a new cadre of proficient citizens with a high level of competence, profound sense of social commitment and moral ethics.

Location

campus, considerable efforts have been made in the recent past to beautify the campus. Greenery in terms of the grass, permanent green plants, trees and flowers have been laid down all over the campus. Horticulture maintenance and development has been meticulously monitored to keep up with the changing weather.

COLLEGE VISION

To Produce Technically Competent Socially Committed Technocrats, Prosper captaincy and Bureaucrats through quality Academics and Research.

COLLEGE MISSION

To create advanced facilities of teaching and practical training to the UG & PG Students.

To inculcate facilities in the arena of Research & Development.

To develop technical manpower through interactive communication, training, short-term courses, seminars, group discussions, mock-interviews, etc.

To initiate the collaborative real life industrial projects with nearby industries and academic institutions.

departments during the current academic year. Total 104 faculty members were benefited financial support to attend Seminars/Conferences/Workshops/conducted by various reputed institutions.

Mentor system:

Qualified and Professional Faculties are appointed as mentors to each 15 students to monitor their. Activities and to guide them on personal, social and other problems.

Grievance and redresses cell:

The institution is accepting the grievances from both staff and students to improve the college administration and academics

Merit Awards:

To encourage merit and to develop healthy competition among the students, Best Academic Performance Awards are given to top 3 students of each section, for all the courses, based on their performance in the Semester-end Examination in the preceding year.

Skill development:

The College offers Communication skills in the III & IV-Semesters in addition to the English Language Theory & Lab course in the 1st year. The College also offers Placement related skills (Quantitative, logic & aptitude) from I year onwards,

Internships:

Some of the recruiting companies are providing internships to the students, which is a part of the students project work

Higher studies:

Notable number of students secure admission in IITs, NITs in India and in reputed universities of USA/UK/Germany etc., every year where they pursue their ME/MS Programme. A few students secure admission in prestigious Business Schools for MBA.

Students Results:

I am happy to inform that the students of outgoing batch of B.Tech. Have secured an overall pass percentage of 79 %.

Placements:

I am highly elated to apprise you all that 178 of our students have been placed in various companies have offered good placements to our students.

Abdullapur (V), Abdullapurmet (M), R.R Dist, 501505, Telangana, INDIA.

Email : principal@knrcer.ac.in ; website: www.knrcer.ac.in

Games & Sports:

Our students regularly participate in the Inter-Collegiate, Inter-University tournaments and win prizes.. Our college teams have participated in football, basketball, volleyball, tennikoit and Table Tennis Inter• collegiate tournaments organized by JNTUH.

Alumni:

The college has been interacting with the Alumni. regularly through the alumni portal with a view to facilitate connectivity and seek their cooperation in areas of placements, Students' projects; Students' visits, Consultancy etc. Our Alumni have also instituted awards for students who have secured overall best performance in academics.

CONCLUSION:

When a new student enters an institution they come with diverse thoughts and are a little apprehensive about the new environment. To help them adjust to the new environment and to inculcate in them the philosophy of the institution, an On-line induction programme as per AICTE directions is planned for next 2-weeks.

We here at KNRCER have very meticulously chalked •out a two week programme to develop awareness, sensitivity and understanding of the self, people around them and the society at large. We have kept yoga and meditation sessions, life-skill workshops, personality development lectures, foundation courses etc.

We hope all of you will make the best use of these activities. You must attend these sessions and put in at least 85% of attendance. I wish all our students an educative, interactive, fruitful and enjoyable academic journey with KNRCER and hope that they will take full advantage of the resources and shape

themselves into good engineers and more importantly as good human beings. I appeal to the parents to continue their interaction with our Heads of Departments, Mentors and faculty members, monitor the performance of their wards in attendance and academics and encourage them to achieve all round excellence.

I appeal to the parents to arrange the appropriate IT infrastructure facilities like Laptop/Desktop,

Proper internet connectivity to their wards so that they can attend the on-line classes and also examinations without any difficulty.

Thank you.

ABOUT COLLEGE:

KNRCER - Kasireddy Narayanreddy College of Engineering & Research is a highly reputed Institute, established in 2008 with EAMCET Counseling Code **KNRR**. **Dr M.Narendra Kumar** is the Principal at the helm of affairs of the college. He is an eminent academician and highly accomplished man with vast experience. He is a strong advocate of academic discipline and diligence.

The Brilliant Group turned a golden leaf with the icon of technical education in Telangana who steered the Engineering education onto the echelons of national and international corridors, a versatile, sagacious genius **Sri Kasireddy Narayan Reddy**, an eminent and dynamic educationalist of our state, taking reigns as the **Chairman** of all the colleges in **Brilliant Group of Technical Institutions**.

He has been leading the Brilliant Grammar High Schools to be among the top-notch schools in our state since 1986. With the same motivation and dynamism, he established the Brilliant Group of Technical Institutions in 2008 and has been constantly upgrading them perpetually to promote a valued technical education in our state.

Our campus is a 70 acre stretch of land with hillocks on one side and plain area on the other three sides. The students are provided with plenty of opportunities to develop their individual talents and abilities and to aspire for excellence in academic and personality development. At **KNRCER**, we believe in engender and promulgate knowledge and talent in core and frontier disciplines through innovative education programs, research, industrial training and consultancy and developing a new cadre of proficient citizens with a high level of competence, profound sense of social commitment and moral ethics.

Location

National Seminars/Conferences /Workshops/ Guest lectures and FDP were conducted by all the departments during the current academic year. Total 95 faculty members were benefited financial support to attend Seminars/Conferences/Workshops/conducted by various reputed institutions.

Students Results:

I am happy to inform that the students of outgoing batch of B.Tech. Have secured an overall pass percentage of 74 %.

Placements:

I am highly elated to apprise you all that 96 of our students have been placed in various companies have offered good placements to our students.

Advanced Technical Skills:

In order to enhance the employability/placement opportunities for the students, the following technical skills which are branch specific have been introduced in the V and VI-Semesters as a part of Skill Development Courses (Technical Skills) in addition to the 6-Week CRT being offered to the students during summer break:

Higher studies:

Notable number of students secure admission in IITs, NITs in India and in reputed universities of USA/UK/Germany etc., every year where they pursue their ME/MS Programme. A few students secure admission in prestigious colleges for MBA.

Games & Sports:

Our students regularly participate in the Inter-Collegiate, Inter-University tournaments and win prizes. Our college teams have participated in football, basketball, volleyball, tennis and Table Tennis Inter-collegiate tournaments organized by JNTUH.

Alumni

The college has been interacting with the Alumni regularly through the alumni portal with a view to facilitate connectivity and seek their cooperation in areas of placements, Students' projects, Students' visits, Consultancy etc .. Our Alumni have also instituted awards for students who have secured overall best performance in academics.

Conclusion:-

When a new student enters an institution they come with diverse and are a little apprehensive about the new environment. To help them adjust to the new environment and to

inculcate in them the philosophy of the institution, an On-line induction programme as per AICTE directions is planned for next 2-weeks.

We here at KNRCER have very meticulously chalked out a two week programme to develop awareness, sensitivity and understanding of the self, people around them and the society at large. We have kept yoga and meditation sessions, life-skill workshops, personality development lectures, foundation courses etc.

We hope all of you will make the best use of these activities. You must attend these sessions and put in at least 85% of attendance. I wish all our students an educative, interactive, fruitful and enjoyable academic journey with KNRCER and hope that they will take full advantage of the resources and shape themselves into good engineers and more importantly as good human beings. I appeal to the parents to continue their interaction with our Heads of Departments, Mentors and faculty members, monitor the performance of their wards in attendance and academics and encourage them to achieve all round excellence.

Thank you.
